Interface is a new international journal publishing papers from the interface between the physical sciences, including mathematics, and the life sciences. It provides a high-quality forum to publish rapidly and interact between the physical sciences, including mathematics, and the life sciences. Both sides of this boundary in two main ways: Interface publishes research applying chemistry, engineering, materials science, mathematics and physics to the biological and medical sciences; it also highlights discoveries in the life sciences that allow advances in the physical sciences. Both sides of the interface are considered equally.

AIMS AND SCOPE
Interface is a new international journal publishing papers from the interface between the physical sciences, including mathematics, and the life sciences. It provides a high-quality forum to publish rapidly and interact across this boundary in two main ways: Interface publishes research applying chemistry, engineering, materials science, mathematics and physics to the biological and medical sciences; it also highlights discoveries in the life sciences that allow advances in the physical sciences. Both sides of the interface are considered equally.

SUBSCRIPTIONS
In 2009 Journal of the Royal Society Interface (ISSN 1742-5689) will be published monthly, with twelve issues a year. Full details of subscriptions may be obtained either by contacting our journal Fulfilment agent, Portland Customer Services, Commerz Park, Cocklehat CO 8BP, Tel: +44 (0)1267 792651, Fax: +44 (0)1267 792631, email: sales@portland-services.com or by visiting our website at publishing.royalsociety.org/subscribers.
