AIMS AND SCOPE

Each issue of *Interface Focus* is devoted to specific topics at the interface of the physical and life sciences. It facilitates cross-disciplinary research across this traditional divide by acting as a forum accessible to all. Each issue aims to include a combination of high quality review and research articles and all contributions are peer-reviewed to the Royal Society's exacting standards. Articles are initially published online and subsequently in a printed supplement to *J. R. Soc. Interface*.
